2 - Can you Instal in all Cable areas?

Yes, we can. We have external parties who can execute all installation jobs that have approvals

3 - But you are available with etisalat and my area is du? Are you available in du?

At the moment we are available with etisalat only. Refer to Q2

4 - What kind of approvals you mean?

Many Hotels take certain approvals when the desired channels are not available by the covered service provider

5 - What if we dont accept your rates and get it from somewhere else for a better price, will you give us a better rate?

VTN's Channels are only available with us and etisalat. If a Hotel/Commercial entity uses a centralized dish and receives some of the channels, then the Hotel/Commercial entity must contact VTN's office directly to obtain the required approval

6 - Who do I contact for more informtation
